

# JOIN THE FIGHT TO GIVE KIDS A LIFETIME

## ABOUT ST. BALDRICK'S

St. Baldrick's is the largest non-government funder of childhood cancer research grants and has funded over \$312 million worldwide. Please help us raise crucial funds for research, boost awareness and provide hope, to give kids' a lifetime.

Every 2 Minutes, a child is diagnosed with cancer. In the U.S. 1 in 5 will not survive. Since St. Baldrick's began, the 5-year survival rate has risen from above 79% to almost 85%.

## East Lake PTA Outreach is hosting a DANCEATHON

There are many ways to be a HERO and fight childhood cancer! HEROS do not just raise money to shave their heads or donate their hair, but our elementary heros DANCE. Come join us for a DANCEATHON by signing up on the website as a volunteer. Ask your family for donations to participate in a danceathon. Everyone who raises \$50 will receive a free St. Baldrick's t-shirt.
